FOUNDATION**

The Kiwanis Club of Shorewood Foundation is a separate 501c3 entity within the club that provides the city of St. Clair Shores students funds in the form of college scholarships and other special programs. Betty believed strongly in education and even tutored illiterate adults in her spare time, teaching them to read. Let's build this fund and donate our highest year ever to our students. An investment in their future is an investment for us all. Join our annual holiday gathering for fun, fellowship and a great cause! *[Last year's event resulted in 2017 being one of our highest giving years in recent past, and included not only the usual scholarships for graduating seniors in five school districts, and sent autistic children to camp, key leader camp and much more]*
